PRESIDENT REPORT

The challenge for our club and its members for season 2014/2015 was to somehow improve on the previous season, where our B grade were Section 7 Premiers, and our A grade made the semi-final. To recap, 2013/2014 saw both sides represented in finals for the first time in club history. Pleasingly, this was replicated in 2014/2015, with both sides reaching their respective Grand Finals! Unfortunately, no premierships were achieved, but we can all be very proud of 2014/2015.

Like last year, our season commenced with the sad news that another Dragon had passed away. Jamie Rule, a 2013/2014 B grade premiership player, passed away suddenly on the eve of the season. To his family and close friends, our deepest condolences. It was a shock to us all, but I was again pleased at how our small club rallied around his family and mates, and each other. RIP Jamie.

Off-field, stability within our committee enabled us to continue to build on the previous year's success and provide an environment where our club is more than about just cricket.

On-field, Chris Littleboy, Matt and Andrew Broomhead and Neil Bullock achieved 100 games, while Andy Farrell, and Antony and Dave Baum played their 50th matches. Congratulations to this group. Pleasingly we hand out a lot of milestone awards, indicating a strong level of commitment from our playing group. Mike Szczepanik passed the 4,000 run milestone, Layton Gould blasted his 3,000th, and Neil Bullock and Chris Littleboy got to 1,000 runs.

The A grade, again led superbly by Mick Haydon, dropped the first game, but then took maximum points in all other games leading up to Christmas. However it was an outright result inside a day against a 9-man WYC side that catapulted us to 2nd spot, a spot we held for the remainder of the season. A comprehensive win in the Semi Final over South Road, saw us front up at home against Hamilton. Hamilton were a far superior team over the weekend, and deservedly won the flag. Layton Gould's 382 runs saw him take out the Player of the Year award. With the bat, he was supported by Scott Keeley (283 runs), Antony Baum (264 runs) and Mick Haydon (210 runs). With the ball, Jimmy Walker was again the standout when fit, with 24 wickets (including 12 in a day and a double hat-trick in the aforementioned outright win vs WYC). He was supported by Andy Broomhead (16 wickets), Matt Broomhead and Rajesh Kumar (12 wickets) and Chris Littleboy (10 wickets).

The B grade was promoted to Section 6, and didn't miss a beat, racing to the top of the ladder and staying there all season. Despite the GF loss, this group, united again under Kevin Winning's leadership, can be very pleased with its achievements in a higher division. Kevin Winning led from the front, leading both runs scored (355), wickets taken (16) and winning the Player of the Year award. He was supported by Nick Henningson (201 runs), Glynn Maloney (198 runs), Craig Price (172 runs) and Nathan O'Neil (12 wickets). In a re-match of last year's nail-biting Semi Final, our boys again encountered the dangerous Plympton, however were much more convincing this season in getting over the line. Mitchell Park was able to account for our boys in a hard fought Grand Final.

I would like to thank our on-field leaders and our committee. Capitalising on our on-field success and continuing to grow our club is our ongoing challenge. We are lucky to have very good people filling our important positions.

Welcome to new players Jarrod Ramage, Matt Rule, Russell Smith, Ben Turner and John Beverley. Thanks for your contributions, and we hope that your involvement will be ongoing.

In line with the club's continued agenda to play cricket in the spirit of the game, the "Spirit of Cricket" Medal is again awarded. The criteria for this award are exceptional on-field conduct that includes training. This year's winner is Chris Littleboy. The club further notes the awarding of Life Membership to Chris. Chris exhibits exceptional sportsmanship and has the highest regard for the game. His contribution since joining the club has been excellent.

The President's Medal is awarded to Andrew Lock in recognition of his support for the club through his tireless work in the background to ensure that the club continues to run smoothly and that any issues are resolved quickly.

We once again were significantly supported by our major sponsor, the Seven Stars Hotel. Thanks to Tom and his team.

Thanks to all 33 players who this year had a crack!

Scott Keeley
President
