PRESIDENT REPORT

Firstly, the Committee is delighted to induct three new life members. Layton Gould, Kevin Winning and Michael Haydon are long term servants of the club both on field and off field. Their passion for the club is unwavering, and it a reflection of their character, sportsmanship and loyalty that they are now life members.

Sadly, this season saw the passing of previous player and committee member, Warwick Holen. Battling his cancer on and off for some years, he finally succumbed in December 2016. Playing 78 games for the Dragons, he will be remembered far more for his off field entertainment than his questionable cricket ability.

Our club entered into 2016/2017 having known that the previous season had been impacted significantly by reducing player numbers. Our main goal was to put both teams on the park each week with the required numbers, and avoid having to forfeit. Pleasingly, we were able to get sides on the park each week, sometimes at a bit of a stretch. A number of new players joined the club which assisted enormously, all of which we hope to see back next year.

Ongoing stability within the Management Committee is appreciated and continues to hold our club in good stead. Those involved do significantly more work than most know to keep the club functioning and attractive. Again, it is much appreciated. Seeing the committee expand this year is pleasing, but we will be put to the test in coming years with the departure of Secretary Layton Gould to Sydney.

A change of on-field leaders in both grades injected enthusiasm across the teams. Novice Jimmy Walker led from the front as A grade captain, and returning Craig Price was exceptional in rallying the troops in sometimes difficult conditions as our B grade captain. Hopefully we can see them both settle into their roles for the medium term.

After winning 3 of the first 4 games, the A grade were in a promising position. Dropping games in the lead up to Christmas meant that we spent most of the last half of the season on the cusp of the top 4, but never quite there. A massive win in the final round saw us miss the finals by only percentage. Jimmy Walker led from the front with 607 runs, while Andy Broomhead led the bowling attack with 20 wickets. Jimmy was comfortably Player of the Year. The A grade are a very experienced, match hardened group who deserve the ultimate success. It has to happen soon.

The B grade won their opening game of the season. Unfortunately this was to be their only victory. Still, Craig Price was able to ensure maximum enthusiasm from his players, and on numerous occasions, they had higher rated teams in precarious positions. They were perhaps out of their depth in their allocated section. Kevin Winning won the batting trophy with 149 runs, while Craig Price took out the bowling trophy and Player of the Year award with 19 wickets.

Thanks to our on-field leaders, our committee and all those who played a role in getting out reams on the park. Continued strong attendances at social events indicate we are doing something right. We were once again significantly supported by our major sponsor, the Seven Stars Hotel. We need to make sure we continue to support them as much as we can. Thanks to Tom and his team.

Welcome to new players Mick Hassett, Ryan Hodge, Aman Kapoor, Paul Bauer, Gurmeet Dhillon, Johar Garg and Rajvinder Sharma. Thanks for your contributions, and we hope that your involvement will be ongoing.

In line with the club's continued agenda to play cricket in the spirit of the game, the "Spirit of Cricket" Medal is again awarded. The criteria for this award are exceptional on-field conduct that includes training. This year's winner is Steven Winning. One of our youngest players, he has quickly become an important member of whichever team he is part of. His sportsmanship, loyalty and attendance and involvement at training are to be commended.

The President's Medal is awarded to Craig Price. Returning from a brief absence from the club, he stepped into the B grade captaincy role very early in the season. Although the results didn't go their way, Craig's work in keeping the group together, committed and enthusiastic shouldn't go unnoticed.

Thanks to all 39 players who this year had a crack!

Scott Keeley
President

VALE

Warwick Pieter HOLEN ("Toddy") 14 June 1960 – 8 December 2016

Warwick "Toddy" Holen was a valued member of the St George Cricket Club. He could always be relied on to try his absolute best at everything he did and could also be relied upon for a laugh or a funny story. There were many times when Toddy would open the batting and wear a short ball on the body but you always knew that the next ball he would once again be right behind the line and wouldn't flinch. A top bloke who had his innings closed too soon. From all the boys at St George Cricket Club St George Cricket Club posted this message for Warwick Pieter Holen.

St George Cricket Club mourns the loss of Warwick "Toddy" Holen who debuted in 2001-02 and played his last game in 2009-10, culminating in 78 matches scoring 1022 runs (top score 92), taking 24 wickets (best bowling 5-34) and effecting 23 catches.

Toddy a personality, a character, upheld the highest regard for the game and a great friend to us all and the club. He never ever gave up showing huge determination in the face of, at times, some pretty strong opposition. Toddy was always able to see the funnier side of things and was up for a chat or spinning a yarn in the confines of club sponsor's watering hole.

Toddy's greatest challenge though became his health where he battled a long illness bravely, optimistically and again never ever gave up. He will be missed.
